AWG Docket No. 10-0197

Order Terminating Garnishment Proceedings

On June 30, 2010 at 3:30 PM Eastern local time, I held a teleconference with Mary E. Kimball, Accountant for the New Programs Initiatives Branch at USDA Rural Development in St. Louis, MO.

Ms. Kimball explained that in light of the fact that USDA Rural Development Petitioner has received all but \$2,284.07 of the debt Petitioner owed on the \$55,800.00 loan USDA Rural Development gave to finance the building of a house for Petitioner that the builder never built, it is willing to cancel the remaining debt and not garnish Petitioner's wages.

Accordingly, the pending administrative wage garnishment proceeding is terminated, and upon the remaining debt being received back from Treasury it shall be cancelled by USDA Rural Development.
