Order Terminating Garnishment Proceedings

Mary E. Kimball, Accountant for the New Programs Initiatives Branch at USDA Rural Development in St. Louis, MO, has advised that in light of the fact that USDA Rural Development Petitioner has received a large portion of the debt Petitioner owed on the loan USDA Rural Development gave to finance the purchase of a house by Petitioner, it is willing to cancel the remaining debt and not garnish Petitioner's wages.

Accordingly, the pending administrative wage garnishment proceeding is terminated, the scheduled hearing is cancelled, and upon the remaining debt being received back from Treasury the debt shall be cancelled by USDA Rural Development.
