Respondents	)	Consent Decision

This is a disciplinary proceeding under the Perishable Agricultural Commodities Act, 1930, as amended (7 U.S.C. § 499a *et seq.*; hereinafter the "PACA"). The Complaint alleges that Respondents Sirmon Produce, Inc., and Sirmon Farm willfully, flagrantly, and repeatedly violated Section 2(5) of the PACA (7 U.S.C. § 499b(5)) by misrepresenting by word, act, mark, stencil, statement or deed, the state of origin of sweet potatoes that they packed and sold in the course of interstate commerce. More specifically, the Complaint alleges that in August and September of 2008, Respondent Sirmon Produce shipped and sold 35,788 boxes of Alabama-grown sweet potatoes that had been packed by Respondent Sirmon Farm with markings which indicated that the sweet potatoes were from Louisiana.

The parties have now agreed to entry of this Decision without further procedure or hearing pursuant to the consent decision provisions of the Rules of Practice Governing Formal Adjudicatory Proceedings Instituted by the Secretary Under Various Statutes (7 C.F.R. § 1.138). Respondents admit the jurisdictional allegations in Paragraph II of the Complaint and specifically admit that the Secretary has jurisdiction in this matter, neither admit nor deny the remaining Complaint allegations, waive oral hearing and further procedure, and consent and agree, for the purpose of settling this proceeding and for such purpose only, to entry of this Decision.

Complainant agrees to entry of this Decision.
