Part Four

List of Decisions Reported (Alphabetical Listing)

Index (Subject Matter)

THIS IS A COMPILATION OF DECISIONS ISSUED BY THE  
SECRETARY OF AGRICULTURE AND THE COURTS  
PERTAINING TO STATUTES ADMINISTERED BY THE  
UNITED STATES DEPARTMENT OF AGRICULTURE

## AGRICULTURE DECISIONS

AGRICULTURE DECISIONS is an official publication by the Secretary of Agriculture consisting of decisions and orders issued in adjudicatory administrative proceedings conducted for the Department under various statutes and regulations. Selected court decisions concerning the Department's regulatory programs are also included. The Department is required to publish its rules and regulations in the *Federal Register* and, therefore, they are not included in AGRICULTURE DECISIONS.

Beginning in 1989, AGRICULTURE DECISIONS is comprised of three Parts, each of which is published every six months. Part One is organized alphabetically by statute and contains all decisions and orders other than those pertaining to the Packers and Stockyards Act and the Perishable Agricultural Commodities Act, which are contained in Parts Two and Three, respectively.

The published decisions and orders may be cited by giving the volume number, page number and year, e.g., 1 Agric. Dec. 472 (1942). It is unnecessary to cite a decision's docket number, e.g., AWA Docket No. 99-0022, and the use of such references generally indicates that the decision has not been published in AGRICULTURE DECISIONS.

Consent decisions entered subsequent to December 31, 1986, are no longer published. However, a list of consent decisions is included. Consent decisions are on file and may be inspected upon request made to the Hearing Clerk, Office of Administrative Law Judges.

Beginning in Volume 60, each part of AGRICULTURE DECISIONS has all the parties for that volume, including consent decisions, listed alphabetically in a supplemental List of Decisions Reported. The alphabetical List of Decisions Reported and the subject matter Index are included in a separate volume, entitled Part Four.
